Britannica are quoted. As these statements are grossly inaccurate, I should
appreciate your giving space in your
columns to this letter.

The Staats-Zeitung, explaining its position on the subject of preparedness.

which hardly mentions our Declaration of Independence."

The above statement in regard to the

Declaration of Independence is incor-rect. The eleventh edition of the Encyclopædia Britannica does not "mention" the Declaration of I dence; it has an elaborate article Declaration, Volume XIV., pp. 372-373. This article, which was written by an American, gives a most readable accou of the circumstances of the signing and publication of the Declaration of Inde-pendence, as well as a very valuable and instructive discussion of the underlying theory of the Declaration and its influence upon American legal and constitu-tional development. If an American schoolboy wished to know what the tional development. If an American schoolboy wished to know what the Declaration stands for he could not do Declaration stands for he could not do better than read the Britannica. Furthermore, the political conditions in the Colonies which led up to the Declaration of Independence are most exhaustively treated in the article on the United States, this also being the work of an American, Professor F. J. Turner of Harvard University.

So now we shall bury our fierce pre-dilections and turn from Moses to Joshua.

Joshua.

And while we do so, many of us sadly and rejuctantly, we pause to declare our undiminished and unfaltering affection for the man who in the midst of a jargon of jangling cries gave utterance to the real issue and won instant recognition to his own voice as that of the American people. He declared to the issue of Francis. T. Homes of the consent of Francis. In regard to Mr. McLean's new

And white we draw to our hear hooks of steel the new Joshua we re-linquish not a single jota of affection for the mighty Moses who led us through Mr. McLean died at Frie

TO THE EDITOR OF THE SUN-Sir: Your head. It is inspired with the loftlest patriotism. It is as classic as the superbutterance of Justice Hughes. I have sent it to my boy at Yale to sow the seeds of the nationalism and unionism between the nationalism and unionism. However, the seeds of the nationalism and unionism between the nationalism and unionism. However, the nationalism and unionism between the nationalism and unionism. However, the national seeds are the national seeds at the nati
